Subject: Placement of Research Assistant in Office of Haryana Governance Reforms Authority (HGRA).

Dear Sir,

The devastating effects of COVID-19 on people's health and livelihood has thrown new challenges to governance practices. To examine and capture these challenges and opportunities HGRA has been commissioned by the Government of Haryana, to prepare short and medium term prospective plan, for citizens participation, redefining peoples need and policy parameters for governance

The perspective is to refocus the role of the government to correct the disruptions to meet the essential needs of the people with a view to prioritize policies and to redefine the role of the state in relation to the market particularly in agriculture, health, Industry, education, Public finance, housing and other sectors.

HGRA has constituted seven (7) task groups under the Chairmanship of eminent persons to prepare a prospective plan for Essential and Non-essential sectors. There is a requirement of seven (7) Research Assistants, associated with each task group, preferably a post graduate in social sciences with 3 years research experience. The details of the posts and emoluments are as per the attached Annexure

You are therefore, requested to do a personal favour directing the concerned department(s) to make aware the potential candidates for availing the opportunity to serve with the authority. I look forward to a affirmative and promising response from the prestigious institution.

With regards,

(Dr. R.S. Dhillon, IAS)
