Subject: Invitation for 1<sup>st</sup> BID Hub Workshop: Strategy and Solutions for Better Health Care scheduled on 13<sup>th</sup> February 2019.

Dear Prof. Kumar,

I am pleased to inform you that "Biomedical Instruments and Devices HUB- A Centre for Innovation, Design and Clinical Validation" with the support of Department of Science and Technology (DST). It will function as a Northern HUB for DST. The purpose of this center will be to provide a Common platform for engineering scientists and medical scientists to innovate technology for the benefit of healthcare delivery. As a preamble to this endeavor, we at PGIMER will be hosting 1<sup>st</sup> BID Hub Workshop: Strategy and Solutions for Better Health Care on 13<sup>th</sup> February 2019 to brainstorm and discuss various ideas for innovations in biomedical research that industry partners may take up and put up in the market.

On behalf of Director, PGIMER, I seek the participation of your institute and request you to kindly send a delegation to participate actively in this workshop. We expect participation of delegates from various engineering and biomedical research institutions from Northern India as well as industry representatives in this one-day activity. Each institution / delegation will be provided time – slots and opportunity may be given a slot of ½-1 hours depending on the requirements of each delegation. The shortlisted ideas/ plan that are likely to be taken up by the industry will eventually be shortlisted for funding by DST through the DST Northern HUB. The speaker may send a plan for this session with details of the topic to Prof. G. D Puri at [gdपुरi007@hotmail.com](mailto:gdपुरi007@hotmail.com) & [biomedhub.pgichd@gmail.com](mailto:biomedhub.pgichd@gmail.com) to be included in the final program.

Thanking you in anticipation,

Pl. Acknowledge
