D.O.No.1-5/2021(e.Gov)

07th October, 2021

Subject: National Cyber Security Awareness Month - October 2021

Respected Madam/ Sir

As you are aware, National Cyber Security Awareness Month (NCSAM), is globally observed every year in the month of October, with the aim of increasing Cyber Security Awareness among the public at large, which in turn will enhance the cyber resilience of the nation.

The overarching theme of the NCSAM 2021 is **"Do your Part. #BeCyberSmart**. The theme empowers individuals and organizations to play their individual role in protecting their part of cyberspace. If everyone does their part- implementing stronger security practices, raising community awareness, educating vulnerable audiences or training employees - our interconnected world will be safer and more resilient for everyone.

The focus of this year will be crowd sourcing cyber security to garner the requisite push for capacity building and keeping personal, business and government data safe through better cyber hygiene. In this regard, to create awareness about cyber security amongst students and faculty members, all Higher Education Institutions (HEIs) are requested to organize Conferences, Seminars, Workshops, Quiz Competitions, Distribution of Posters, Leaflets and Badges, Social Media Promotion of Cyber Security, Cyber Awareness Video Clips, Radio talks etc, including in local languages in the month of October, 2021 and upload the details of the events on <https://uamp.ugc.ac.in/> University Activity Monitoring Portal of University Grants Commission(UGC).

The UGC proposes to organize a sensitization webinar for Higher Education Institutions (HEIs) shortly on "Cyber security Empowerment of HEIs; Making cyber security more accessible, available, and adaptable for HEIs". The Vice-Chancellors of all Universities are requested to fill up a pre-event questionnaire available at <https://uamp.ugc.ac.in/> to assess their cyber posture and to be submitted latest by 11th October, 2021.

With kind regards,

Yours sincerely

(Rajnish Jain)
